Re: "Blending" in 2020
Harrisburg AWTF
NPDES Permit No.: PA0027197
Harrisburg City, Dauphin County

Dear Ms. Katzenmoyer:

On February 26, 2021, the Pennsylvania Department of Environmental Protection (Department) learned of a permit non-compliance event related to "blending" procedures utilized during wet weather events. The following violation was noted:

- At times between September-November 2020, Capital Region Water failed to maximize treatment during wet weather events. This a violation of Part C.V.G of your NPDES Permit.

At this time, the Department requests that you conduct an investigation of this violation and within fifteen (15) days of receipt of the letter, please submit a written report explaining the cause of the violation, remediation actions taken and any measures to be implemented to prevent future occurrences. Please include additional information as noted in the attached inspection report.

The Department's February 26, 2021 inspection report is attached for your records.

Please be advised that failure to comply with the terms and conditions of your permit and Sections 201 and 202 of The Clean Streams Law constitutes a violation and subjects you to appropriate enforcement action.

This Notice of Violation is neither an order nor any other final action of the Department. It neither imposes nor waives any enforcement action available to the Department under any of its

statutes. If the Department determines that an enforcement action is appropriate, you will be notified of the action.

If you have any questions, please call me at 717.439.5080.

Sincerely,

HEATHER DOCK
